ABOUT ME

I am an undergraduate ICT student specializing in **Software Technology**, eager to gain practical industry experience and deepen my knowledge. I am actively seeking internships to apply my academic learning to real-world challenges and contribute meaningfully to dynamic teams. With a strong passion for growth, I look forward to collaborating with industry professionals to enhance my skills and make a positive impact in the ICT field.

EDUCATION

Bachelor of Information and Communication Technology (Hons.) (UG)

- University of Sri Jayewardenepura (2022 - present)
